SWORN IN.

The New Council Assemblies and Organizations.

The old Council assembled Tuesday night for the last time, the following members answering the roll call: Brennan, Hathaway, McClure, Moore, Peters, Rech and Weber, President pro tem Hathaway in the chair.

The minutes of the previous meeting were read and approved.

The report of the Mayor for the period from April 1st to April 14th, was submitted, read and approved. The report showed a total collected of \$81 and paid to city \$55.15.

Building permits were granted to Frank Weber, on Second street and F. S. Shurick, on Fourth.

The usual number of bills were presented and allowed and Council adjourned sine die, the old body passing out of existence.

Mayor Jewett Palmer took the chair and administered the oath of office to the Councilmen elect, Messrs. Garrison, McClure, Hardy, Wood, Price and Henry.

Upon motion of Mr. Moore, the rules were suspended and S. J. Hathaway chosen by acclamation as President of the new Council.

For President pro tem the names of Rech and Moore were announced. Mr. Moore declined the honor and Mr. Rech was elected by acclamation.

This was the last official act of Mayor Palmer, who gracefully introduced Mr. Hathaway and retired.

The new President, who has long been an efficient and earnest worker on the floor of Council, accepted the honor tendered him in a neat and forceful speech, remarking upon the phenomenal growth of the city during the past year and the increasing responsibility and amount of work devolving upon a Councilman. To the new members he spoke briefly, outlining the present situation as regards sewer and street paving improvements.

Mr. Hathaway stated in addition to the 12 standing committees he thought there should be committees on Garbage and Street Cleaning and on Health and Sanitation, making a total of 14 committees. He also favored the appointment of a Sinking Fund Commission, as being advantageous to the city. He spoke in a flattering manner of the work performed by the old Council and proceeded at once to the appointment of Committees, announcing them, after a short recess, as follows:

Bridges—Price, Wood.

Buildings—Bachman, Brennan, Henry.

Finance—McClure, Moore, Rech.

Fire Department—Hardy, Price, Garrison.

Paving—Hathaway, Moore, Bachman.

Police—Garrison, McClure, Henry.

Railroads—Wood, Rech, Hathaway.

Sewerage—Moore, Hathaway, McClure.

Streets—Rech, Brennan, Hardy.

Waterworks—Garrison, Price.

The bond of Mayor Meisenhelder, in the sum of \$1,000, with W. P. Dye and Frank Weber as sureties, was presented, read and approved.

Building permits were granted to W. D. Devol, on Hart street, B. E. Stoehr, Warren street, Geo. L. Payne, College street, and J. K. Chesney, Harmar street.

CHURCH QUARREL.

Serious State of Affairs in the Christian Church at Lowell.

The filing of a petition in Common Pleas Court praying for an injunction is the outcome of a church quarrel which has been going on at Lowell for several weeks, and which has resulted in a clearly defined division in the congregation of the Christian church in that village.

The petition for injunction is filed by Rev. S. C. Kyle, the pastor in charge, and the Trustees of the society. It seeks to enjoin D. W. Sprague and others, alleged to have been illegally chosen Trustee by a minority of the congregation, from closing the doors against Rev. Kyle.

The trouble has been brewing for some time. Recently the defendants named in the petition nailed up the doors and windows of the church, but at the usual hour for services Rev. Kyle appeared, and drawing out the nails, entered the building and preached to the congregation as had been his custom. The same episode was repeated for several Sundays, Finally Rev. Kyle was arrested for breaking into the church and was bound over to court.

The petition for injunction is a later development. Rev. Kyle claims he is backed by the regularly elected Board of Trustees and fully justified in his action.

Rev. John Burgess, Keokuk, Iowa, writes: "I have been a Minister of the Methodist Episcopal Church for 50 years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery." The Limit.

A boy can climb a slippery tree
Where men would surely fall.
The dog who barks at you and me
Will let him pull his tail.
He takes a swim where it's so cold
We'd never reach the shore.
He's capable of feats untold,
But he cannot shut a door.

With rubber and a wooden frame
He makes a gun. His skill
Enables him to bring down game
Your rifle cannot kill.
Your fishing tackle lands a few;
His bent pin catches more.
Ah, wondrous things a boy can do,
But he cannot shut a door.
